I mosaici prendono spunto dalle lavorazioni di maestri artigiani, riproponendoli con tutti i plus del gres porcellanato.

The mosaics take their inspiration from the work of master craftsmen, repositing them with all the strengths of porcelain stoneware.

Les mosaïques naissent du travail des maîtres artisans, en les revisitant avec tous les atouts du grès cérame.

Die Mosaike inspirieren sich an der Arbeit der Meister, werden aber mit allen Vorteilen des Feinsteinzeugs neu gestaltet.

Los mosaicos se inspiran en los trabajos de maestros artesanos, recreándolos con todas las ventajas del gres porcelánico.
